

This is a compilation of alternatives to cans for your Mythic Mugs!

*Did we miss something? Do you have an addition to the list? Let us know! A huge thank you all for contributing!!*

### **Disclaimer**

We will try and keep the list updated to prevent expired links and to inform you of all the known options. We are not affiliated with anyone and we only intend to pass on this information for your convenience. We can't guarantee that all of the listed products is an option in every country. We haven't tested these alternatives ourself.

### **About can sizes and the Mythic Mugs**

The inside diameter of a Mythic Mug is 67mm wide. The diameter of a can is 66mm. If you ever need to scale the mug to figure out how it fits to a glass or any insert, you can print out a test ring to find the perfect fit: <https://arsmoriendi3d.com/.../inner-diameter-testing-tool/>

### **US options**

MiiR Tall Boy is a dishwasher safe stainless steel tumbler, or basically a "reusable beer can". We have been told it fits perfectly at 100%. <https://www.miiir.com/collections/cups/products/tall-boy...>

Luminarc are 16oz tall glass tumblers. You can see them in this Facebook post with all of the information to make them work. Mugs needs to be scaled up 3% in order for them to fit. <https://www.facebook.com/groups/892975347554507/permalink/1421936741325029/>

Libbey Classic Can Tumbler Glasses are another type of can shaped glasses. Scaling them to 115.4% should make the mugs fit these: <https://www.homedepot.com/p/Libbey-Classic-Can-16-oz-4-Piece-Glass-Tumbler-Set-209/306387727>

Tossware makes 12oz recycled plastic glasses which fit the mugs at 100%: <https://www.amazon.com/TOSSWARE-12oz-Recyclable-12-shatterproof-Can/dp/B07HKYD7M6>

16oz glass bottles with lids. They stick up a bit but should also have a perfect fit for the mugs: <https://www.amazon.com/gp/product/B07P91TZNS/>

### **EU options**

Nice looking and tall drinking glasses. Scale the mugs up to 103% in order for them to fit, as seen here [https://www.instagram.com/p/B\\_-SbcFoYJj/](https://www.instagram.com/p/B_-SbcFoYJj/)

Link has expired but this might be the new link? <https://www.barstuff.de/geo-longdrink-47cl-mit-0-4l-fl-6-stuck-59604.html>

### **Other options**

Draft Top has designed a tool to be used on regular cans. Spin it around and you remove the entire top, and basically turning it into a drinking cup without any sharp edges:

<https://drafttop.com/>

To fit a 12 oz Red Bull, you can shrink a Mythic Mug down 86% on the X/Y-axis and 94% on the Z-Axis (or scale it equally and use an insert).
